

SERVICES

Sometimes the best services are ones that you truly need. AT RPM, our first goal is to create communications that make impressions and communicate in a clear, persuasive manner. We also make certain your communications are in sync with your vision. We provide services in nearly every area of the marketing and advertising industry. You may need an advertising campaign, collateral materials, corporate and consumer branding, direct response, media placement and procurement, new media, promotional strategies or public relations consultation. Maybe you need it all... Maybe you need just a few items. We give you the option to utilize RPM as your own marketing department. With RPM on your team, you will make a polished impression that best serves your unique needs.

Successful marketing begins with a powerful and provocative identity...the icon under which all communication stems.

EXPERIENCE

Sometimes you need more than just an attractive advertisement.... A beautiful brochure... a splash on the Web. Sometimes you need solutions.

RPM Marketing looks for ways to stimulate your communications process and deliver results that may have seemed unattainable.

RPM provides dynamic full-service creative communications. We are a fully integrated company utilizing state-of-the-art technology. By staying at the forefront of our field, we are able to provide our clients with a complete range of services and solutions.

Logo and Identity Design

When you look beyond our superior creative, you find a team of seasoned professionals.

Strategic alliances and partnerships help us to bring you exactly what your company needs! An experienced staff of marketing and advertising managers and planner, artists, writers, research assistants and production experts work one-on-one with clients, and together, craft communications that achieve results... Attainable results... Powerful results.

CREATIVE

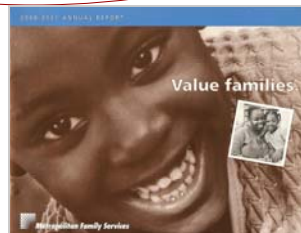

Sometimes you get what you ask for...

Sometimes you get a whole lot more. At RPM, our mission is to fulfill your business marketing and communications needs in the most effective and efficient way possible.

We believe that great marketing and advertising is derived from a combination of strong visual images, compelling language, strategic planning and an intimate understanding of our clients' goals, objectives and audiences. In actualizing our client's vision, we examine internally and explore externally. We devise a variety of ways to communicate with your audience(s), creating striking ideas and interesting alternatives.

Our goal is to develop a creative approach that is both intellectually and emotionally stimulating, and compels audiences to ACT. That way, you get more than expected, and in turn, you can expect

more from your creative team.

RPM MARKETING
